

At Holsworthy Community College, we are committed to fostering a collaborative and supportive environment where our ethos of Educate, Enrich, Empower applies to all pupils, staff, and families. This home/school agreement is founded on our shared values and a mutual commitment to a social contract that ensures every member of our school community thrives. We pledge to embrace diversity, promote inclusivity, strive for academic progress and through personal growth, prioritise the physical and emotional wellbeing of our pupils and staff.

Through maintaining transparent and constructive communication between home and school, and actively involving families in the educational journey, we affirm our dedication to these principles and our shared responsibility in nurturing a positive and enriching educational experience for all.
